collector  
magic bottle

## DEAR MOM!

*Taking a breather and time spent with your baby are at the premium. Do not waste your time for activities which can be replaced by our products created especially for you. Neno's mission is to support you by our products in the most beautiful and also the most difficult time in your life. Our breast pumps, breast milk storage bags, aspirators, compressor nebulizers, baby monitors, thermo-table sets, electric toothbrushes, and all other Neno products were created to make parents' and kids' everyday life more pleasant.*

A photograph of a woman with long dark hair, wearing a white tank top, smiling and holding a baby. The baby is wrapped in a white blanket. The image is partially overlaid by a pink circular graphic on the left and a green circular graphic on the bottom right.

## **MAGIC IN A BOTTLE**

*Do you know that when you feed your baby or pump from one breast, the other is stimulated to work as well? That is why we have created a special milk collector, which will catch the food from the breast you are not feeding.*

**save  
milk**

## **KEEP YOUR MILK**

*We know how important is mother's milk for the development of the baby. In order not to lose valuable food, you can easily collect the milk to Neno Leite magic bottle.*

## UNIQUE DESIGN

*We took care not only of functionality, but also about the appearance of our products. Neno Leite is attractive because of the embossing outside.*

*fitted to the breast*

## **EASY TO USE**

*The silicone breast shield conforms to each shape of the breast. Just hold the bottle to your breast, gently suck it, and after a while, the collector will start to accumulate food.*

## CONVENIENT STORAGE

*Neno Leite has a special plug that makes food storage safe in the refrigerator.*

## EASY TO CLEAN

You can easily wash or sterilize the milk collector with the help of traditional methods like boiling water or using a sterilizer (e.g. Neno Vita).

## RECOMMENDED BY EXPERTS

*The Neno brand is recommended by moms, midwives, and lactation advisers. Our products are dedicated to the young parents to facilitate their everyday life and let them enjoy every moment with your child.*

## COMPLETE YOUR LAYETTE

The Neno brand has a range of products that are essential for parents. You will find here, among others breast pumps, feeding bottles, sterilizers, thermometers, baby monitors, and everything which may come in handy in the first years of parenting.

## SAVE YOUR TIME

Using the milk collector while you are feeding your baby or pumping, will allow you to accumulate more milk at the same time. Thanks to this, you have more time for your baby.
