Neno Savia

Warm milk wherever you are,
without the need to plug in.

neno PREMIUM

Safe heating of breast milk

The Neno Savia quickly warms mum's breast milk stored in the fridge. Prepare milk while walking, driving or on holiday!

neno PREMIUM

Efficient wireless operation

The Neno Savia allows you to heat water up to 8 times on a single charge, which means more freedom and less stress. Walks, outings and journeys become easier because the device works on your terms anytime, anywhere.

Full battery

40°C

150 ml

neno PREMIUM

Temperature maintenance

The device not only heats the water, but also automatically maintains it at the chosen temperature also while charging with the power adapter. Therefore, you can enjoy the moment instead of worrying about your drink going cold.

нено PREMIUM

Wireless

Wondering how to combine feeding your little one with an active lifestyle? The Neno Savia is the perfect solution. You can take the cordless warmer literally anywhere – whether on a walk or on the move.

neno PREMIUM

*Light and
compact*

The warmer is lightweight and compact, making it easy to fit in your bag. Thanks to its small size, you can take it anywhere with you – on a walk with your child, a weekend trip out of town or everyday shopping.

nenor PREMIUM

*Rapid preparation
of modified milk*

3 minutes – all it takes to heat 150ml of water to 40°C (from room temperature) and prepare breast milk before your baby gets hungry.

neno PREMIUM

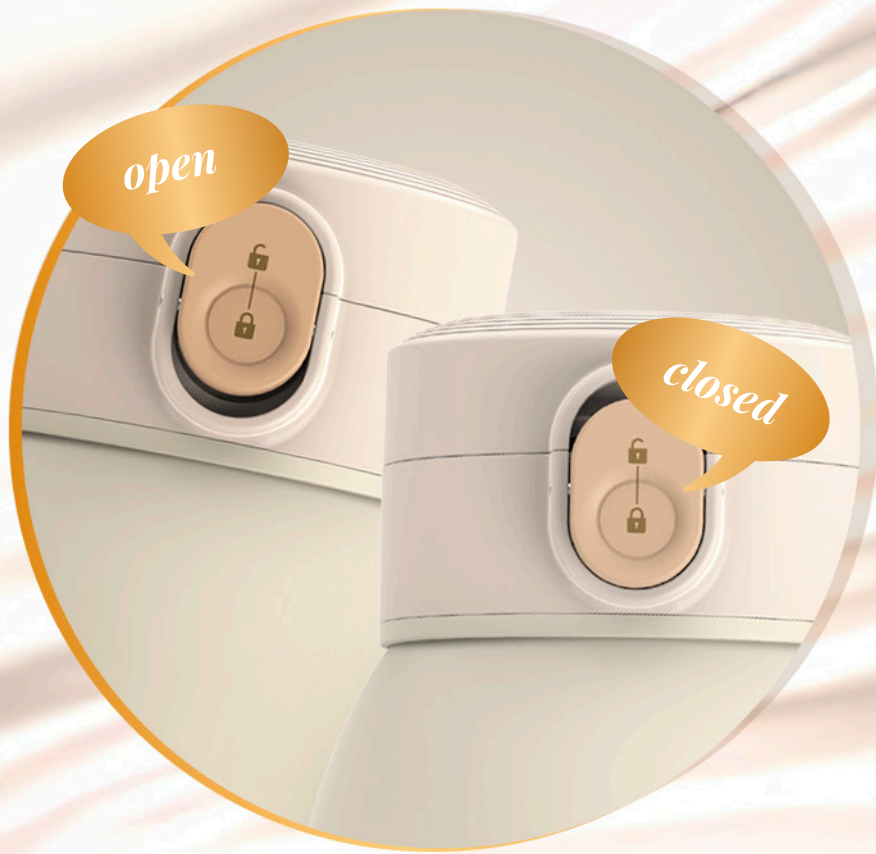

*Wide
temperature
range*

35°C - 55°C

With a temperature setting from 35°C to 55°C, you gain complete control when heating. Customise the device to your needs and use it every day in a variety of ways, heating milk, tea and coffee.

нено PREMIUM

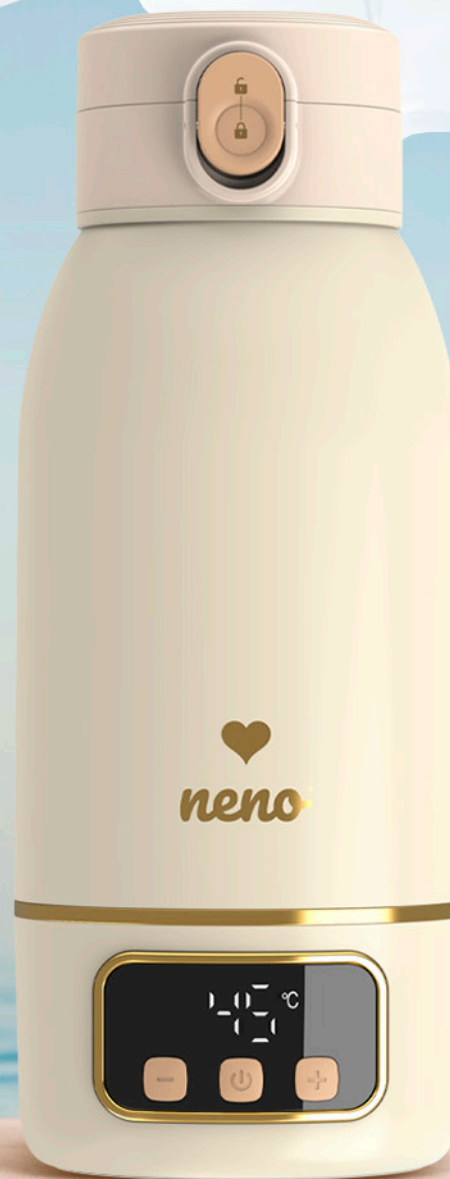

Tight seal

Travelling with your baby is a challenge? By using the warmer, you are assured that nothing will leak or accidentally start up. The leak-proof seal and push-button lock ensures peace of mind even in the most challenging situations.

нено PREMIUM

Large capacity

Heat more, enjoy longer! The Neno Savia holds as much as 500 ml of liquid, so one heat-up lasts for hours. This solution is particularly useful when you are out walking, when every extra bit of hot water may be needed.

500
ml

нено PREMIUM

Precision pouring

The contoured spout ensures that any amount of milk or water goes where it should. Precise pouring, zero mess – perfect for parents who value comfort and convenience every day.

nenno PREMIUM

Rapid heating

The Neno Savia is a real sprinter among heaters - in 3 minutes you reach the perfect 40°C for 150 ml of water (heating from room temperature). Instant performance combined with precision makes heating fast and hassle-free.

3 min.

40°C

нено PREMIUM

At hand on the plane

Take your warmer with you on every journey!
This way you don't have to worry about
access to power, as you can prepare warm
milk even on the plane.

нено PREMIUM

Heat up in the car

Not every car journey is conducive to stops. In such situations, you can charge your device via the USB-C cable and heat up milk while on the road.

нено PREMIUM

A close-up photograph of a hand holding a white electric kettle. The kettle has a gold-colored trim around the control panel. The control panel features a digital display showing '55°C' and a power button. A finger is pressing one of the buttons. The brand name 'neno' is visible on the side of the kettle.

Clear display and convenient buttons

The easy-to-read display shows the current temperature in real time, so you can be sure that your drink is heated perfectly.

neno PREMIUM

Easy cleaning

Cleaning the heater is very easy. Just use a brush and the device will shine like new. For even better results, we recommend the Neno Lavar model, which is perfect for removing milk residues.

neno PREMIUM

Comfortable handle

The warmer is equipped with a handy handle for easy carrying. It is a practical solution that allows you to always have it at hand.

neno PREMIUM

Universal use

The Neno Savia will serve you for a long time. When your little one no longer needs milk, you can use it to heat up your favourite drinks.
