2in1

– changing table and bathtub

Neno Breza combines a baby bath and changing table, designed for parents' convenience and the baby's safety. This 2-in-1 solution makes daily baby care easier and more efficient. The multifunctional design ensures a smooth transition between bath time and nappy changes, saving both time and space at home.

mobile design

A bath in the bathroom today, a nappy change in any room in your home tomorrow. Four lockable castors make it easy to move the bath wherever you need it. The construction is both stable and lightweight, ensuring convenience and safety.

changing table

with measuring scale and side walls

Is your baby restless during nappy changes? The side walls provide protection on both sides of the changing table, keeping your baby safe. The edges also serve as a measuring scale, allowing you to track your baby's growth effortlessly.

waterproof material

convenient storage shelf

No more frantic searching for essentials! The built-in storage shelf allows you to keep towels and bath toys within easy reach.

option to use
the bathtub without the stand

Whether you have a spacious home or a small flat,
Neno Breza adapts to your needs. You can use the
full set or just the bathtub—it's up to you!

practical cosmetic shelf

Warm water, soothing scents, and a relaxing atmosphere help calm your baby before bedtime. With just a quick motion, you can reach for soap or baby oil without disrupting bath time.

quick and effortless drainage

*Draining the bath is simple and convenient.
The drain plug with tube allows water to be removed
easily without the need to lift the tub. A small detail
that makes a big difference!*

quick and easy folding

No need to worry about space! Neno Breza is a practical product that folds in the blink of an eye, taking up minimal space when not in use.

minimalist design

that fits anywhere

With its neutral beige colour and minimalist design, Neno Breza fits seamlessly into any space—be it a bathroom or a baby's room.

comfort

for both baby and parent

Bathing and nappy changing should be comfortable for everyone. The optimal height of the stand eliminates the need to bend over, reducing strain on your back and ensuring a pleasant experience for both you and your baby.
