DRINKING IN ANY POSITION

The Neno Mio 2 comes with a special weighted silicone straw that allows your child to drink at different angles. So your baby can quench her thirst no matter how the bottle is held.

TO SERVE WATER AND TEA

Designed to serve hot and cold drinks, the cup can be used both indoors and outdoors, such as on summer holidays and winter walks.

nenor Premium

HIGH DURABILITY

PPSU is a material that is very resistant to mechanical damage. Thanks to this material, the cup is very durable and will not break even if the child accidentally knocks it against a table or the floor.

WALKING COMPANION

The Neno Mio 2 is small enough to fit easily into your handbag. In addition, the convenient locking closure ensures a very good tightness, protecting the contents of the bottle from leaking out.

neno Premium

MODERN DESIGN

The cup's modern design makes it a perfect gift. It also grabs children's attention and encourages them to drink regularly.
