

# neno<sup>®</sup> lumia

Baby sound machine with nightlight  
& probe for recording heartbeats

*Every Mom  
is a Superhero!* ♥

Record your heartbeat  
for baby's peaceful sleep

## *Record your heartbeat*

*In the first months of life, your baby needs your presence more than ever. The sound of your heartbeat is their most familiar and soothing melody – a sign of love and security.*

*Neno Lumia lets you capture this unique rhythm, so your little one can always feel close to you, even while sleeping in their crib.*

# *A nightlight and sound machine in one*

Neno Lumia offers three modes, allowing you to adjust the device to your baby's needs:

- *Nightlight* – provides a soft glow in 11 colors, creating a cozy atmosphere and making nighttime feedings easier.
- *Sound machine* – plays 6 lullabies, 5 types of white noise, and 8 relaxing nature sounds.
- *Combined mode* – blends light and sound to create a warm, comforting environment.

## *Soothing white noise*

*From birth, babies feel most at ease when surrounded by sounds similar to those they heard in the womb. Neno Lumia plays 5 types of white noise, mimicking these familiar sounds to help your baby relax and drift off to sleep more easily.*

## *Relaxing nature sounds*

8 calming nature sounds accompany your baby throughout the day. Ocean waves, birdsong and soft rain create a peaceful ambiance, perfect for relaxation and napttime.

## *Beloved lullabies*

*Classic lullabies that have comforted babies for generations are now available in a compact device you can take anywhere. Their gentle melodies fill the space with warmth and harmony, helping your baby sleep soundly.*

## *Convenient USB-C charging*

A modern USB-C port ensures quick charging of the built-in battery, allowing hours of uninterrupted use. Perfect for parents who value convenience and reliability, whether at home or on the go.

## *Easy & intuitive controls*

With simple, backlit buttons, you can turn on Neno Lumia, adjust the volume, or switch melodies with a single touch – even in the dark.

## *High-quality sound*

*Clear and natural audio with a maximum volume of 65 dB ensures that heartbeats, melodies, and nature sounds remain soothing and distortion-free. No unwanted noise – just a warm, harmonious sound that envelops your baby in calmness.*

## *15/30/60-minute timer*

The built-in timer lets you set automatic shutoff after 15, 30, or 60 minutes, so you can rest easy knowing the device will turn off at the right time.

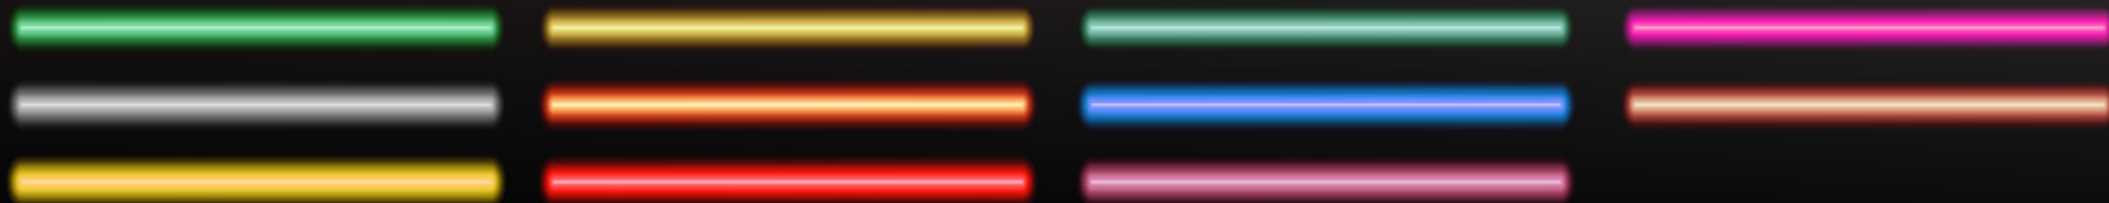

## *Lightweight & compact*

Neno Lumia is compact and lightweight, making it easy to take anywhere – at home, on trips, at the grandparents' house, or even on a stroll. It fits perfectly in a bag or stroller, ensuring you always have it within reach when needed.

## *11 gentle nightlight colors*

*Neno Lumia glows in 11 different colors. Switch between shades freely to match your baby's mood and create a soothing bedtime atmosphere.*
