## *Every baby's first friend*

The Neno Somi muslin nappy is more than just a simple piece of fabric to protect baby's delicate skin. Its teddy bear shape is reminiscent of a cuddly toy that accompanies your baby every day. Light and soft, it becomes an indispensable companion from the first moments of life.

## *Pleasant muslin*

Thanks to the natural muslin, the Neno Somi nappy provides comfort for the baby both during the day and at night - supporting a peaceful sleep for the baby and his mother. The handmade workmanship is a guarantee of attention to every detail, both in terms of the quality of the material and the care of the finish.

# High quality

Neno Somi, like all our products, is distinguished by its high quality. Made by hand in Poland, it has the Oeko-Tex Standard 100 certificate. The teddy's head is filled with silicone ball filling, thanks to which it does not deform and retains its elasticity. The nappy is completed with a decorative bow made of muslin.
